LESSON 15 SUPPLEMENTS

*Outlined by
Dennis Roberts*

Supplement #1

President Joseph Fielding Smith

“Do you think it will ever be possible for any one of us, no matter how hard we labor...to pay our Father and Jesus Christ for the blessings we have received from them? The great love, with its accompanying blessings extended to us through the crucifixion, suffering, and resurrection of Jesus Christ is beyond our mortal comprehension. We never could repay.”

(General Conference, April 1966)

Supplement #2

Elder Robert D. Hales

“What we must remember about the Savior is that He and He alone had the power to lay down His life and take it up again. He had the ability to die from His mortal mother, Mary, and the ability to overcome death from His immortal Father. Our Savior, Jesus Christ, went willingly and deliberately to His death, having told His followers that this would happen. Why? One might ask. The answer: to give immortality to all mankind and the promise of eternal life to those who believed in Him, to give His own life for a ransom for others, to overcome Satan’s power, and to make it possible for sins to be forgiven. Without Jesus’ Atonement, there would be an impossible barrier between God and mortal men and women. When we comprehend the Atonement, we remember Him with awe and gratitude.”

(General Conference, October 1997)

Supplement #3

Elder Bruce R. McConkie

“After the Fall of Adam, man became carnal, sensual, and devilish by nature; he became fallen man... All accountable persons on earth inherit this fallen state, this probationary state, this state in which worldly things seem desirable to the carnal nature. Being in this state, ‘the natural man is an enemy to God,’ until he conforms to the great plan of redemption and is born again to righteousness. Thus all mankind would remain lost and fallen forever were it not for the atonement of our Lord.”

(Mormon Doctrine, 257-68)

LESSON 15 ? Mosiah “Eternally Indebted to Heaven”

Among the great political leaders in the history of the world, King Benjamin shines like the sun. By virtually any standard, he is as good a man and great a king as ever lived. The cursory descriptions given by Amaleki and Mormon show us the intriguing outlines of a life centered in Christ and his service.

This is an election year and candidates are lining up and clamoring for my vote already. I will cast my vote for the man whom I think to be the best choice. But I would be much happier in the voting booth if Benjamin were on the ballot.

Objective: to help us understand our

This wonderful sermon of the great and good King Benjamin teaches us this process of being reconciled as well as it is taught anywhere in the scriptures. And certainly the sermon in which he gives us these teachings is one of the five finest sermons ever recorded in the standard works. We will conclude our study of his words in the lesson next week.

How does this apply to me?

Though we can never repay God, he will bless us for trying our best!
