LESSON 6 SUPPLEMENTS *by Dennis N. Roberts*

SUPPLEMENT #1

Elder Dallin H. Oaks

“Visions do happen. Voices are heard from beyond the veil. I know this. But these experiences are exceptional... Most of the revelation that comes to leaders and members of the church comes by the still small voice or by a feeling rather than by a vision or a voice that speaks specific words we can hear. I testify to the reality of that kind of revelation, which I have come to know as a familiar, even daily, experience to guide me in the work of the Lord.”

(Ensign, Mar 1997, 14)

SUPPLEMENT #2

Prophet Joseph Smith

The prophet Joseph Smith taught that revelation may come as “sudden strokes of ideas” that flow into our minds as “pure intelligence.”

(Teachings of Prophet Joseph Smith, [1976], 151)

SUPPLEMENT #3

Elder Dallin H. Oaks

“What does a ‘burning in the bosom’ mean? Does it need to be a feeling of caloric heat, like the burning produced by combustion? If that is the meaning, I have never had a burning in the bosom. Surely the word ‘burning’ in this scripture signifies a feeling of comfort and serenity.”

(Ensign, Mar. 1997, 13)

SUPPLEMENT #4

Elder Richard G. Scott

“When we seek inspiration to help make decisions, the Lord gives gentle promptings. These require us to think, to exercise faith, to work, to struggle at times, and to act. Seldom does the whole answer to a complex problem come all at once. More often, it comes a piece at a time, without the end in sight.”

(Gen Conf, Nov 1989)

SUPPLEMENT #5

Elder Boyd K. Packer

“Sometimes you may struggle with a problem and not get an answer. What could be wrong? It may be that you are not doing anything wrong. It may be that you have not done the right things long enough. Remember, you cannot force spiritual things. Sometimes we are confused simply because we won’t take no for an answer... Put difficult questions in the back of your minds and go about your lives. Ponder and pray quietly and persistently about them. The answer may not come as a lightning bolt. It may come as a little inspiration here and a little there... Some answers will come from reading the scriptures, some from hearing speakers. And, occasionally, when it is important, some will come by very direct and powerful inspiration. The promptings will be clear and unmistakable.”

(General Conference October 1972)
